April Theme: Government

Did you fill out your 22-z-4 form? If not, don't worry, we won't report you to the department of records. This month we explore the byzantine labyrinth of Government in Science Fiction, Fantasy, and Horror. From the Laundry to the Droids, from *Brazil to 1984*, and from Singapore 3 to the sands of Arrakis, the wheels of governance turn on and on, and the men and women who serve the system are often the only things making the system work.
