Memorial  
Day

## May Theme: A Family Affair

Blood may be thicker than water, but sometimes you just want to get the heck out of the family business, especially when you are related to conniving, backstabbing, crazies. True, some characters are looking for lost kin, but many cannot distance themselves from their families fast enough. There is nothing so important, or dear to us, as families, even when they are robots or monsters. Come what may, though, this month we will take a look at the Family in SF, Fantasy, and Horror.

That's Science Fiction presents *Arsenic and Old Lace*  
Tuesday May 3<sup>rd</sup>, 2010 from 7p to 9p  
Hillsdale Public Library
